Stratigic Plan

communities targeted (5,000,000 women, children & youth are able learn, lead and decide and thrive in their lives and within their communities

VOLUNTEERS GOALs and Objectives.

Is to contribute to enhance and develop the human welfare and gender equality, and to strengthen of (5,000,000) million women, girl's children and youth to be empowered economically and socially) to learn, lead and decide and thrive in their lives and communities.

The Volunteers strategic plan is underpinned by a set of strategic principles. These principles are presented below and describe what.

Emergency Response:

- ✓ Volunteers Response to the Emergency as a rule whenever possible.
- ✓ Volunteers brings a longer-term view to it is emergency response work than others do, while recognizing the value of shorter term response to emergencies in countries and Darfur region where the membership has no longer term intervention.
- ✓ Volunteers will become known for working in two to three particular sectors, while recognizing that it is work must be adaptive to the needs of any emergency.

Development:

- ✓ Volunteers will have buked on it is strengthen as a professional and global generalist that can tackle poverty and it is causes on the ground in the most appropriate and flexible way.
- ✓ Volunteers will be bold in developing areas of volunteers -wide expertise to have the biggest possible impacts on reducing poverty.
- ✓ Volunteers will encourage innovation to explore new areas and opportunities for tackling poverty in the poorest communities of Sudan.
- ✓ Volunteers will proactively seek to collaborate with partners at all levels of its operation to increase the quality and sustainability of its works.
- ✓ Volunteers w2ill hold itself to account on how it changes the outcomes of its beneficiaries, not just on the activities it undertakes.

Advocacy:

- ✓ Volunteers will advocate at local, national and international levels to enhance the overall impact of it is field operations and influence relevant policy.
- ✓ Volunteers will coordinate globally to advocate with a stronger and more unified voice on these issues.

Geographic Presence:

- ✓ Volunteers will ensure its geographic presence is planned more deliberately.
- ✓ Volunteers will diversify its operating model to have impact in countries where it cannot, or chooses not to, establish country offices.

Fundraising

- ✓ Volunteers will diversify its funding sources by growing private funding and targeting new institutional donors
- ✓ Volunteers will target its fundraising areas where impact is clearly demonstrable.
- ✓ Volunteers will diversify and grow through selective mergers, coalitions, consortia and acquisitions.
